

## COVID-19 Visitor Guidance

**Visitation may not be permitted if you have any of the following symptoms or risk factors of COVID-19:**

- Fever (temperature of 100.0\* or higher)
- Runny nose, sore throat, cough or shortness of breath
- Nausea, vomiting or diarrhea
- Decreased sense of taste or smell
- If you been exposed to someone who is suspected or confirmed to have COVID-19 in the past 14 days.

**If you do not have any of the above:**

Visitation will be restricted to resident's apartment and limited to one visit per week; for one hour.

Face masks must be worn, practice social distancing and use of an alcohol-based hand sanitizer before and after visitation.

**Wear a cloth  
face covering.**

**Stay at least 6 feet apart  
from others at all times.**

**Wash your hands often  
or use hand sanitizer.**

Thank you for your cooperation in helping keep our community safe.
